JOIN THE VANGUARD MASTER-DOCTORATE (M-D) PROGRAM AND EARN A MASTERS DEGREE FROM MIT/HARVARD & A DOCTORATE FROM SWISS SCHOOL OF MANAGEMENT

Armed with a Masters Degree from MIT or Harvard can be rewarding, and together with a Doctor of Philosophy or Doctor of Business Administration from the Swiss School of Management, it can propel you to the world stage with the best degree US Universities and European Business Schools can offer.

Majority of the coursework can be completed online, and the entire program will prepare and empower you with the skills and confidence you need to advance your career.

REALISE YOUR BUSINESS AMBITIONS

Designed for determined professionals with at least three years of management experience, our program will help you advance to the next stage of your career. The program is taught by industry experts with diverse international experience, providing comprehensive insights into today's business challenges to help you:

- Further your ability to overcome complex problems in global business and finance
- Develop critical managerial skills and master practical business and finance applications
- Enhance the people-management skills necessary for more effective leadership
- Gain international perspectives of organisations, finance and management theory

MIT'S SUPPLY CHAIN MANAGEMENT / DATA, ECONOMICS AND DEVELOPMENT MASTERS DEGREE

MIT's Masters in Supply Chain Management / Data, Economics and Development program is a part-time / distance learning program that can be completed mostly on-line, with **ONE** compulsory on-campus Spring Term at the end of the program before graduation.

SWISS SCHOOL OF MANAGEMENT (SSM) DOCTOR OF PHILOSOPHY / DOCTOR OF BUSINESS ADMINISTRATION DEGREE

SSM's Doctor of Philosophy (PhD) / Doctor of Business Administration (DBA) program is a part-time / distance learning program, with the requirement to produce journal publication in an internationally recognised journal and a distance viva voce (oral examination) before graduating in-campus. The program can be completed entirely online.

HARVARD'S MANAGEMENT / DATA SCIENCE MASTERS DEGREE

Harvard's Masters in Management / Data Science program is a part-time / distance learning program that can be completed mostly on-line, with **ONE** compulsory on-campus Summer Term (3-6 weeks) at the end of the program before graduation.

Lectures designed and delivered by our acclaimed teaching staff

Interactive assignments enabling you to participate in group learning exercises

Real-life case studies offering you skills that can be applied immediately

Social interaction with peers, professors and tutors makes you more connected

Digital resources to help you enrol, resolve technical enquiries and develop your career

ACADEMIC AND INDUSTRY EXCELLENCE

Massachusetts Institute of Technology and Harvard University are ranked among the top universities in US and around the world. Graduates typically earn north of USD 130,000 per annum, which is approximately SGD 200,000.

The Swiss School of Management is among the top 1% business schools in Europe, and its programs are fully accredited by the IACBE, EduQua (Europe) and CHEA (USA). Besides being accredited by the United States Department of Veterans Affairs, the Swiss School of Management is also a UNESCO-approved institution through its membership with the International Association of Universities.

FEES FOR TAKING THE PROGRAMS FULL-TIME ON-CAMPUS / PART-TIME BY YOURSELF

MIT's Masters in Data, Economics and Development Policy is a hybrid 1.5 years, 90-credit course.

The full-time on-campus program cost USD 29,805* (approx. SGD 39,650)

Harvard University's Masters in Management is a part-time, 2 years, 48-credit course.

The University charges USD 35,000* for international students (approx. SGD 50,000)

MIT's Masters in Supply Chain Management is a full-time 1.5 years, 90-credit course.

The full-time on-campus program cost USD 77,168* (approx. SGD 102,600)

Harvard University's Masters in Data Science is a part-time, 2 years, 48-credit course.

The University charges USD 35,000* for international students (approx. SGD 50,000)

SSM's PhD and DBA is a full-time 2 to 3 years program consisting of Coursework, Research Lab (Data Collection and Analysis) and the Doctoral Thesis (Write-up and Defend).

The full-time on-campus program cost EUR 31,000* (approx. SGD 50,000)

*Prices are subject to change each academic year and exclude housing and living expenses.

To support the working population in Singapore to be well-equipped and seize opportunities in the future economy, Vanguard College has set up various awards and support schemes. With a SGD 15 million seed fund to support the tuition fees for deserving candidates, we are confident that our candidates will be the future leaders of Singapore and regional economies.

With these awards and schemes, coupled with academic exemption measures, Vanguard College will, more than ever, expect our candidates to achieve meaningful academic enhancement during this difficult COVID-19 period and scale to a greater height after graduation.

AWARDS AND SUPPORT SCHEMES FOR MASTERS & DOCTORAL CANDIDATES

VOLUNTEER AND COMMUNITY INVOLVEMENT AWARD (ONLY SSM PHD/DBA CANDIDATES)

At Vanguard College, we believe that volunteer involvement is an integral part of a strong and prosperous community. To encourage this value, we've set up an award for SSM candidates who have letter of support from grass root organisations, non-profit organisations, or community/cluster leaders who can vouch for the candidates' involvement in their community.

Successful applicants will receive a discount of **SGD 25,000** from the program fees.

VANGUARD COLLEGE REWARD (ONLY SSM PHD/DBA CANDIDATES)

If you are a graduate or an existing student of Vanguard College, we'll award you a one-time **SGD 5,000** alumni discount off your SSM PhD or DBA program fees when you continue your study with us to Doctorate level.

This is also applicable to those who successfully sign up any MIT or Harvard Masters program and a SSM PhD / DBA program.

Successful applicants will be automatically given the discount if they are qualified; so there is no action required from applicants.

SO, WHAT'S MY NEXT STEP?

1. APPLICATION TO VANGUARD COLLEGE

We will require your Govt ID & Passport (scanned copy), Bachelor Degree/ Transcript (scanned copy), Resume (in PDF) and Application Fees (USD 100).

2. ADMISSION DECISION

Admission comes in 3 stages.

- Vanguard College admission is within 4 weeks upon submission of all documents and application fees.
- Doctorate's admission is within 4 weeks upon Vanguard College admission.
- Master's admission is within 4 weeks of completion of first year required modules.

3. WORK, LIFE, STUDY BALANCE

Spend, on average, 2 hours per week studying with Vanguard College. Academic requirements will be condensed into simple to understand and easy to follow lessons.

4. GRADUATE IN CAMPUS

Graduate in campus with style!

5. SUIT UP!

Ready for your new position in the corporate world?

REVIEWS FROM OUR STUDENTS

“ I now have the confidence and knowledge to engage and challenge thinking in many areas of finance and business, backed by a sound network of alumni I would not otherwise have had.”

Avery Goh, CEO of GWG Consulting, Vanguard College Graduate

Best school ever! Exactly the kind of school you can only dream of since Primary School. Thank you Vanguard College... Highly recommended!

Joanna Fang, Current VC Student ★★★★★

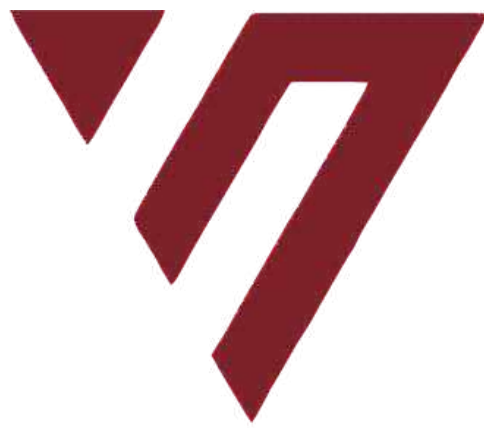

Great time here. Serious, straightforward and friendly. Highly recommended. Thanks for your trust in me and thanks for helping in my Harvard Masters admission!

Li Xiuyuan, Current VC Student ★★★★★

I followed exactly what I was told, and everything was clock work. I would recommend Vanguard College to other people. Thank you VC!

Elvin Tan, Ex VC Student ★★★★★
