To support the working population in Singapore to be well-equipped and seize opportunities in the future economy, Vanguard College has set up various award schemes for deserving candidates. We are confident that our candidates will be the future leaders of Singapore and regional economies upon graduation.

With these awards and schemes, coupled with academic exemption measures, Vanguard College will, more than ever, expect our candidates to achieve meaningful academic enhancement during this difficult COVID-19 period and scale to a greater height after graduation.

AWARDS SCHEMES FOR MASTERS & DOCTORATE CANDIDATES

VOLUNTEER AND COMMUNITY INVOLVEMENT AWARD

At Vanguard College, we believe that volunteer involvement is an integral part of a strong and prosperous community. To encourage this value, we've set up an award for SSM candidates who have letter of support from grass root organisations, non-profit organisations, or community/cluster leaders who can vouch for the candidates' involvement in their community.

Successful applicants will receive a discount of **SGD 15,000** from the program fees.

SSM-VANGUARD PROGRESS AWARD

To encourage candidates to participate in the Swiss education system, which has consistently been ranked at the top among the world best, SSM will award **SGD 9,500** to candidates who are accepted by Vanguard College and enrolled into the SSM DBA program. The award will be disbursed as a one-time discount off the program fees.

You will be automatically given the discount if you are qualified; so there is no action required from you on this.
